New Year, New Look!

Kennybrook Village has been undergoing a refresh for the past couple of months and this refresh will continue throughout 2021.

What better way to say goodbye to 2020 and hello to 2021 than with some updated looks throughout the community!

Flower beds in the front parking lot were weeded and new rock was added. In the spring, many plants will be added to fill in and bring in more color. The front and back parking lots received fresh asphalt. Both independent and assisted living dining rooms received new vinyl wood flooring and a fresh, new paint scheme. The pericope received a fresh coat of paint. 'Retirement Community' was added to the Kennybrook Village sign.

Refreshes and improvements will continue into 2021 following all COVID guidelines and ensuring the safety of our residents and staff.

Celebrating the Holiday Season

Greetings from Lisa Quirk, Community Activity Director

Happy holidays family, friends & residents! December has been a busy month in the community decorating for Christmas and New Year's. We have had a great time decorating the trees, doing holiday crafts, taking part in our annual Christmas party and making lots of goodies to share. We have been very blessed by family and friends throughout this holiday season. The Grimes Library organized a blanket drive. We've had many holiday cards sent in or dropped off from families, people in the community, and from schools with heartfelt wishes. We have had many gifts to both residents and staff from partnering organizations, our families, and from the community. As we head into 2021, we are thankful for everything we have been blessed with in 2020 although it was a challenging year. We are looking forward to see what 2021 brings!

Larry & Lois have been married 45 years. Lois has 4 children and Larry has 2 children. Between the two of them, they have 11 grandchildren.

For 34 ½ years Larry worked for Firestone Tires and Lois retired from Meredith Corp as an accountant. Lois's favorite job was being an LPN. Both Larry and Lois were volunteer firefighters for about 14 years. Larry was the Assistant Chief for 31/2 years. Their biggest achievement was being EMTs & working on the fire and rescue squad.

The Hoch's love to travel. Some of their past trips have taken them to Australia and New Zealand on cruises. Larry & Lois have many hobbies, Larry loves to fish and hunt, Lois loves to machine embroidery, sew and craft. They both enjoy Bingo in the community weekly.

The Hoch's moved into Kennybrook Village in December 2011 where they have since made lots of friends. They like being part of the community. Some advice from the Hoch's is to be kind & helpful to others.

Thank you for making Kennybrook Village your home and being apart of our family!
